A GROWING NEWSPAPER IN A GROWING COMMUNITY

YOUR BLOOD IS NEEDED

Campbell's quota is a minimum of 75 pints!

You may give blood any day from 10 a. m. to 5 p. m. Or Saturdays from 10 a. m. to 12 noon at the Blood Bank Center, 440 N. First Street, San Jose.

Volume 57, Number 18 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Friday, February 23, 1951

Campbell Elementary School Wins Parade Prize

EDITORIAL

COURT REORGANIZATION

Campbell probably will lose its justice court under the court reorganization plan as proposed by Chief Justice Phil S. Gibson, following approval of the reorganization bill by the voters at the last general election.

Since the loss of the justice court here appears inevitable, it is up to the community to work for adequate representation in a municipal court. There are two possibilities facing this community at present. The decision probably will be made by the County Board of Supervisors after they receive recommendations prepared by the advisory committee named by the Santa Clara Bar Association. This committee, headed by Attorney Joseph Bonacina, includes Attorney Richard Morton of Campbell.

One of those possibilities is that Campbell would combine with San Jose in formation of a municipal court. This would be the less satisfactory of the two proposals, we believe, since Campbell's vote would be negligible, compared to that of the vastly greater voter population of San Jose, and it is doubtful whether Campbell would ever be able to elect its choice to the judgeship.

The second proposition is that Campbell combine with the communities of Los Gatos and Saratoga in a municipal court at Los Gatos. The three communities would provide more than the necessary 40,000 population for a municipal court. Here there would be a better balance of community vote, and Campbell would not be subject to the dictates of the incorporated city of San Jose.

It is to be hoped that the three-community plan will be proposed by the bar association's advisory committee, and thus enable the voters of all three communities to have a voice in the establishment of their own municipal court.

Assemblyman Charles S. Gubser has reserved a spot on the State Legislature's agenda for AB 1374 which would establish the tri-city municipal court if the communities, the advisory committee and the supervisors are prepared to consolidate three justice courts in a municipal court at Los Gatos.

* * * * *

THE RIGHT TO PICKET— THE RIGHT NOT TO JOIN

Two democratic organizations—a restaurant and a union—exercised their constitutional privileges in Campbell this week. The restaurant and its employes voted one hundred percent against joining the union, the AFL Cooks and Waiters Union, Local No. 80. The union began picketing the Blue Bell restaurant.

The employes don't want to join the union, stating they are receiving wages equal to or better than union scale, and their working conditions are satisfactory. The union says the restaurant is unfair to organized labor because it is not a union shop.

This appears to be the first operation in an organizational move to unionize the balance of Campbell restaurants, mainly those on Campbell Avenue.

It is regretable that the union, in exercising its right to peaceful picketing, has chosen a restaurant whose employes have no desire to join the union, yet whose business must suffer because of the picketing. The restaurant and its employes exercise a basic right of our republic to freedom of speech and freedom of choice in the matter; however, should the restaurant be forced to join the union through loss of business caused by picketing, then the choice would not be a free one.

Were the salaries and working conditions substandard, the picketing would be understandable, but this is not the case. The employes state they are more than satisfied with salary and working conditions.

Has the union turned from its original policy of improving salaries and working conditions to one of forcing everyone to "join up" for the only purpose of increasing the union power and revenue?

Kiwanians Hear San Josean Talk

San Jose Attorney George W. tterson was the guest speaker the Campbell Kiwanis club eeting Tuesday noon, selecting as s topic, "Americanism." He was troduced by Carl Field, chairman r the day.

Joyce Klassen was the high school student guest for the meeting.

During the session, the members had a scholarship fund drive, collecting about $40 in fines from the Kiwanians present.

'DON'T WANT UNION,' SAY EMPLOYES; ORGANIZER SAYS HIS LOCAL WORKING FOR IMPROVEMENT OF 'CONDITIONS'

Picketing of one Campbell restaurant, the Blue Bell, at 210 E. Campbell Avenue, was begun the first of this week by the AFL Cooks and Waiters Union, Local No. 80, San Jose. Two other local restaurants, the Cozy Cafe, 259 E. Campbell Avenue, owned by Peter Spragia, and the Campbell Fountain and Grill, 205 E. Campbell Avenue, owned by R. W. Hughes, although they have been approached by the union, have not been picketed to date.

Hughes and Spragia said they will go along with the Blue Bell owner, Azalea Shaw. "The three of us will stick together," said the unpicketed owners. Hughes added that he thought he, too, was on the "unfair" list, but hasn't been picketed.

Louis Bosco, secretary of the union local, stated the Blue Bell is being picketed "because they are non-union. This is an organization drive." Asked why the eatery is being picketed when the employes have voted 100 percent against joining the union, Bosco said "We still have the right to peaceful picketing, even if the employes don't want to join."

Employes of the Blue Bell, queried by the Campbell Press reporter, confirmed the report that they do not wish to join the union, pointing out that their salaries now are equal to and better than union shop scale, and the working conditions are pleasant.

Pressed for a more definite reason for the picketing, Bosco said he does not know what salaries the employes are receiving. "We're out to improve the working conditions." Asked if he believes the working conditions at the Blue Bell are sub-standard, he replied that he didn't know. "There are a lot of different classifications and stuff," he added. "I couldn't point out anything definite. Isn't it enough that we're out to better the conditions for everyone, for the working people? We're interested in the welfare in general of the working people."

Apparently still unwilling or unable to give any specific reason for this picketing, other than the non-union status of the restaurant, Bosco referred the paper to the local's organizer on the scene, after concluding with the statement that he has not talked over the situation with any of the employes, but that his union has been in contact with the owner, Mrs. Shaw, for two and one-half months.

M. H. Nichol, the organizer, a tall young man, was consuming a piece of pie in the Campbell Fountain and Grill. He seconded Bosco's statement that the main purpose of the picketing is to establish standard union wage scales and working conditions throughout the county. "Nearly the whole county, except for the central section of Campbell, is union, now. I'd say the majority of the county is union."

Asked about the purpose of picketing the local restaurant, he stated, "We can better working conditions."

What is wrong with the working conditions? he was asked.

"By bettering the working conditions I don't mean the place isn't clean or anything like that," he answered. "Just say 'conditions'; that's good enough."

He added that he had contacted all of the employees, several times.

Are the Cozy Cafe and Campbell Fountain and Grill on the union "Unfair" list? "No," he answered. "Not yet."

What does the union mean by unfair, since the employes have indicated they are satisfied with the present non-union establishment?

"The Blue Bell is on the unfair list because it is unfair to organized labor. If you took a check of its customers you'd probably

(Continued on Page 8)

Parade Goes On Despite Rain; All OSD Events Well Attended

Campbell's 57th Old Settler's Day moved through a series of celebrations, gatherings, parades and shows, accompanied by brisk winds from the snow-covered mountains surrounding the valley.

Gray clouds moved in during the morning to threaten the celebration. The first drops of rain began to fall just before 1 p.m., but the big parade went on as scheduled, and the rain never did develop into more than an occasional sprinkle.

Parade Judges Tim Sullivan, Edward M. Fellows and Chief Ralph Phillips of the Los Gatos Police, occupied the reviewing stand in front of the Campbell Union Elementary School, with Judges Chairman Joaquin Payne. Forrest A. Reese, parade chairman, made an excellent emcee, announcing names of the entries as they approached.

Grand sweepstakes prize for the event went to the Campbell Elementary Schools float whose theme was "Let Freedom Ring." The red float bore a large silver bell, and the symbol of liberty.

DIVISION WINNERS

Winners in the various divisions were: pet division, Beth Bravo and her dog, first; Andy Werthman's taxi, second.

Juvenile division: Campbell Cub Scout Pack 9, first; Cambrian Brownies, second; Boy Scout Troop 31, third; Campbell Cub Pack 19, honorable mention.

Civic Division—Campbell Kiwanis float, first; Campbell Footlighters, second; Lt. Byron C. Lanphear Post, Campbell, third; Campbell American Legion Post, honorable mention.

Commercial Division: Taste Good Bakery, first; Thrift Shop of the Stanford Convalescent Home, second; Nelson Grain, third; J&A Market overland car, honorable mention.

Industrial Division: California Prune and Apricot Growers, first; Remaillard and Dandini Brick Company, second; Future Farmers of America, third.

RIDING GROUPS

Posse Groups: Santa Clara County Sheriff's Posse.

Senior Riding Groups — Santa Clara County Horsemen's Association, first; Mayfair Riders, second; Los Gatos Gymkahna, third; Campbell Riders, honorable mention.

Juvenile Riding Groups—Ironberg Juvenile Riders, first; Santa Clara County Junior Horsemen, second.

Riding Pairs—Lou Santora and Clara Keeble, first; Mr. and Mrs. Tom Knight, second; Mr. and Mrs. Dick Stull, third; Mr. and Mrs. Glen Parker, honorable mention.

Individual riders—Jim Crider Jr., first; Jack Lathrop, second; Paul Polizzi, third; Bonnie Hernandez, honorable mention.

BAND

Senior band—Los Gatos Union High School, first; James Lick High School, second; Campbell Union High School, third.

Junior band—Campbell Union Elementary School.

Junior Drum Corps—Los Gatos Union High School, first; Union Grammar School, second.

Junior majorettes — Unionettes of Union Grammar School, first; Campbell Majorettes, second; Los Gatos School, third; Memory Post, American Legion, honorable mention.

Senior Drum Corps—American Legion, Memory Post 399.

SPECIAL AWARDS

Special awards—Travasso Accordion Band; Cambrian 4-H Club; Uncle Charlie.

Drill team—Hollister Eagles Aerie.

School entries—Campbell Union Elementary school float, first; Moreland Elementary School, second; Cambrian Elementary School, third.

First prize for Arabian stallion entry—E. W. Wolford.

Those who failed to collect their awards and ribbons when winners were announced after the parade may pick them up at the Campbell Water Company office on Campbell Avenue.

QUEEN FLOAT

An outstanding entry in the parade was the Old Settlers' Day queen float on which rode Queen Jessie Campbell, Bright yellow daffodils, white blossoms and

(Continued on Page 8)

C. A. Drake Fined $250 On Drunk Driving Charge

Clarence A. Drake, Route 2, Box 743, Campbell, was fined $250 on a charge of drunk driving by Justice of the Peace Martin S. Walsh on February 14. Drake was arrested on the night of February 3 after his car allegedly struck the car operated by Lawrence Hendricks of Campbell, head of the Cambrian pumping station for the San Jose Water Works. Drake was also charged with driving his vehicle at night without using his headlights, Walsh said. The accident occurred at Fewtrell Avenue and San Jose-Los Gatos Road.

Drake license was suspended for one year.

Rev. L. E. Cushman To Speak On Growth In Holiness

"Growth in Holiness" has been chosen as the topic for the morning worship service in the Campbell Baptist Church, 115 Sunnyside Ave., as announced by the pastor the Rev. Lyle E. Cushman. Special music will be provided.

In the evening Evangelistic Hour at 7:30 p. m., the pastor will speak on the "Two Natures of the Believer". Special music, singing testimony and Bible exposition mark the evening hour.

Bible School meets Sunday at 9:45 a. m. Classes are provided for adults as well as the children.

Youth Fellowship meets Sunday 6:30 p. m., under the leadership of Bill Baxter, president.

Mid-week service is on Wednesday at 7:45 p. m.

TO GIVE ADDRESS AT C OF C DINNER

Assemblyman Charles S. Gubser, of the 29th District, will be the guest speaker at the Campbell Chamber of Commerce's annual dinner gathering on Wednesday, February 28.

Gubser, who represents Campbell and the surrounding county area in the California State Legislature, is expected to bring a forthright account of political and legislative doings to the big assemblage next Wednesday.

The steak dinner will be held at Martin's Restaurant, San Jose-Los Gatos Road at Campbell Avenue, beginning at 7 p.m. Tickets may be purchased from Forrest Reese, secretary-manager of the Chamber of Commerce.

CUB PACK POTLUCK DINNER

Plans for the monthly meeting of Cub Pack 25 of Moorpark School were formulated at a recent committee meeting at the home of Mrs. Wilford Lund, with Cubmaster Luther Burbank presiding.

Appointment of Jerry W. Ginney as new committee chairman replacing Otto Peterson was announced.

A Blue and Gold potluck dinner, in observance of the founding of the Boy Scouts of America in 1910, plus a boys' awards session and entertainment are scheduled for tonight, February 23, at the school beginning at 6:30 p. m.

All parents and other interested in the Cub program are invited to attend.

Red Cross Drive Starts March 1

Volunteer workers throughout the Campbell area are preparing to launch the community's annual Red Cross fund drive March 1 under leadership of Chairman Joseph Feit. Goal for this year's effort will be $4,000, Campbell's share of the national quota of $85,000,000. "The need is great," said Feit, "and the increase over last year's quota is due entirely to the enormous load placed on the Red Cross by expanding military forces and by the civil defense program."

Red Cross is serving the rapidly growing U. S. armed forces at home and abroad, and is carrying on a drive to obtain quantities of blood for military and civilian use. The Red Cross has assumed responsibility for training 20,000,000 persons in first aid at the request of the National Security Resources Board. In addition it must train 100,000 and reactivate 150,000 nurse's aids and train 1,000,000 housewives in home nursing for civil defense; assist civil defense in providing food, clothing and shelter during emergency periods, and expand Red Cross services to the armed forces to meet needs of the 3,000,000-man fighting force.

Here, in Campbell, Parent-Teacher Association groups, individuals and other organizations have been working with Feit in organizing for the fund drive.

In addition to names of persons released in recent issues, the following have joined forces with fellow residents for the drive:

Miss Ruth Wetterstrom, chairman of the Moreland PTA, has done an aggreessive job organizing her district, and reports the following women will be co-workers in canvassing the Moreland School Districts: Mesdames Betty Bergstrom, La Verne Bitzer, Brandon, Boren, David Davis, Wally Farnsworth, Lowell Heath, Frank Gilley, William Herrell, Tereva Holtum, Henry Kurasaki, Arthur Langon, Bern Mayo, Garcia Mello, William R. Murphy, Robert Nelson, George Straight, Ernest Speno, L. E. Testa, Frank Vierra and Yamata.

In the Moorpark PTA, Mrs. Ruby McKee, chairman of the Red Cross drive there, has announced the following as members of her group: Frances Gilbert, Clara Battaglia, Pearl Sidensol, Eve Bevans, N. E. Liles, Mrs. William Scott, Mrs. A. Assante, Mrs. L. M. Scroggins, Mrs. F. E. Finstead, Mrs. Homer Townsend and Mrs. H. G. Findley.

Progress in organization of the San Tomas area is being shown, and the following have volunteered to work in the district: Mesdames Marion Nelson, C. D. Austin, E. E. Grabel, L. Dardanell, Peggy Smith, Verna Conn, Dorothy Harp, Ethelda Minehart, C. C. Stockridge, Philip Hurd and Mrs. Crawford of Pecan Way.

"The people of Campbell have always given generously to Red Cross drives in past years", commented Feit, and we believe they will again support this worthy group which does so much for so many." Speaking of the door-to-door canvass to begin next Thursday, he reminded local residents hat when the Red Cross volunteers knock at the doors of local homes, "your neighbors will be calling". "Welcome those volunteers and give to the Red Cross," he urged.

Mary Sue Field Dies In Florida

The mother of Mr. Carl B. Field of Campbell, Mrs. Mary Sue Field, died this week in Lakeland, Florida, at the age of 97. Services and interment will be conducted at McPherson, Kansas, it was learned just before preess time this week.

MARCH OF DIMES HITS NEW HIGH HERE AS CAMPBELL CONTRIBUTES $1,661.08

The annual March of Dimes in Campbell wound up last weekend with the highest total of returns in the local history of the drive. Campbell High School students took charge of the community fund campaign, and George Egling, faculty advisor, reported this week that the 1951 drive raised $1,661.08.

Totals for the last two previous years were $1,436.49 in 1950, and $1,299.64 in 1949.

Local elementary and high schools contributed $927.89 toward the fund to fight infantile paralysis. Cambrian elementary school led the grammar school contingent with nearly $400. Total contribution from the elementary schools was $603.54, with the high school turning in $324.35.

Sigma Sigma group of the Congregational Church added its name to the list of contributing organizations with a check for $10, making the organizations' share of the total $89.03.

Coin collectors in the local stores gathered in $243.45, and the mail brought in $366.26 from local residents.

Egling praised work of the students and the cooperation of the community, and extended thanks of the workers to all who contributed to making this the top year in Campbell's portion of the drive for funds.

Reese To Attend Memorial Service

Forrest A. Reese will attend memorial services at Arlington National Cemetery, Virginia, for his brother Warrant Officer Warren S. Reese, 39, missing in capsizing of an Army tugboat off the Golden Gate on February 3.

Services will be conducted for the Army man on March 3.

Chamber Receives Official Notice of Whiteway OK

Official notice that the Board of Supervisors of Santa Clara County have approved the Chamber of Commerce request for establishment of a Whiteway on Campbell Avenue and Winchester Road, was received by the chamber's Secretary-manager, Forrest A. Reese Wednesday morning.

E. B. Hughston, finance officer, stated in a letter to Reese that "Although the request for this service is being transmitted to the Pacific Gas & Electric Company at this time, so they may acquire the necessary materials, service for the additional lights will not start before September 1, 1951."

Rotarians Slate Anniversary Fete

Third anniversary dinner of the Campbell Rotary Club will be held at the library building on March 12 at 7 p.m. Mario Saia is chairman of arrangements for the gathering.

Members, their wives and visiting Rotary dignitaries will attend.

DEFECTIVE

PIANO RECITAL TO BE GIVEN BY MUSIC PUPILS

Mrs. Virginia Rutherford will present a number of her piano students in recital Monday evening, February 26.

The recital will be held in the Country Women's club house, corner First St. and Campbell Ave. in Campbell. The public is cordially invited to attend.

Those participating are:

Janet Garnett, Shirley Davis, Richard Harris, Connie Loveday, Bruce Rutherford, Paul Werthmann, Stephen Werthmann, LeRoy Howell.

Ella Holland Becomes Bride Of Ernest Moser

Now residing in Santa Clara following their wedding Saturday at 3 p.m. in St. Lucy's Church, Campbell, are Mr. and Mrs. Ernest Moser Jr. (Ella Dorothea Holland). The Rev. Denis Kennelley read the wedding service for the simple, informal ceremony.

The bride, given in marriage by her brother, William Holland, wore a navy blue suit with white accessories and a corsage of pink roses. She carried a rosary.

Her honor attendant was Miss Vera Filingere, while Alton Southwick served as best man.

The bride is the daughter of Mr. and Mrs. George Holland of 49 Gilman Avenue, Campbell. She attended Notre Dame High School in San Jose, and has been affiliated with the St. Lucy's Youth Group. Her husband is the son of the senior Ernest Mosers of San Jose. He attended San Jose Schools and is a member of the California National Guard.

High School PTA Program Honors Past Presidents

Campbell High School Parent-Teacher Association had its founders' day program on February 14 in Bucs' Cove. Music was provided for the program by a trio composed of Beverly Clawson, Joyce Klassen and Mardel Sanders.

Joseph Feit, chairman of the 1951 Red Cross drive, explained use of synthetic blood plasma, and asked for volunteers for the fund drive which will open March 1.

Mrs. J. W. Knowles, Mrs. Dan Gould and Mrs. John Cantoni were named a nominating committee to prepare a slate of new officers.

The PTA unit will have a cake sale on Tuesday, February 27, in Bucs' Cove during the lunch hour. Donations for the sale should be at the cove by 10 a.m.

Mrs. Knowles was elected to rep-

Hints on Cooking With Herbs Described For Garden Club by Oakland Authority

Campbell Garden Club, Inc., met at the library building on February 21 for a round table discussion and plant exchange. Mrs. James Gleed has asked for donation of herb plants of all varieties to be planted in the garden plot of Campbell Union High School.

Mrs. George Politis of Oakland was guest speaker at the club meeting on February 7. Her topic for the afternoon was her hobby, herbs. Now president of the Oakland Herb Society, she has grown herbs for many years, and exhibited many specimens at the meeting, as she told of herb uses and gave club members cuttings of the plants.

* * *

(The following report of the herb talk by Mrs. Politis proved so interesting, that we are printing it in full, in the belief that many readers of the Campbell Press Women's Page will wish to clip the information for use in meal preparation.)

As far back as history can reveal, she said, man has used herbs. After the Flood, when men were on dry earth again, they plucked the herbs of the field, and the berries and bark of trees and shrubs seasoned man's bread. After Columbus and Magellan proved that the earth was round, ships from coastal Europe sailed the seven seas and brought home to Europe new foods with herbs and spices. Travelers into the Orient, Asia Minor, the Holy Land and Egypt brought back new ways of preparing food with herbs and spices to add zest to the flavor. Herbs and spices provided a means of preserving foods in those days when refrigeration was unknown.

Mrs. Politis went on to tell about the individual herbs. Marjoram, she stated, is one of the sweetest of herbs and will blend with other herbs in seasoning of meat, fowl, vegetables and even desserts. It also makes an invigorating tea. It is a soft gray-green plant, nice in a garden border, and does well in this valley. She suggested a sprig of marjoram in hot or iced coffee.

Tarragon, a luxury herb, is not so common as sage and thyme. Tarragon vinegar is a treat in French dressing for salads. Fresh tarragon may be used to add glamour to chicken or fish. It also combines well with fruit and chocolate in cake. Tarragon vinegar, used sparingly on a roast, makes the meat tender and adds a fine flavor. Tarragon in vinegar flavors cucumber pickles and salads.

SWEET BASIL

All the Mediterranean and eastern countries use sweet basil, said Mrs. Politis. It is widely used in California, a state of many nationalities. People who have been accustomed to the use of herbs in their home countries have introduced many taste tantalizers for use in home cooking in this country. A leaf of sweet basil is always found in tomato paste. Basil has a clove-like flavor. Unlike most herbs it is an annual and must be planted from seed each spring. Fields of basil are grown in this valley for use in canning tomato paste. The herb is delicious with tomatoes. Use fresh basil with fresh tomatoes. Dry basil with cooked tomatoes, baked in the oven with cubes of bread and butter and a can of boullion makes a tasty dish.

(Continued on page 3)

Founders' Day Meeting Held By Local PTA Unit

Founders' Day was observed at the regular meeting of the Campbell Grammar School Parent-Teacher Association February 6 at 2 p.m. in the school auditorium. Mrs. Dorothy Royce presented Mrs. Joyce Longfellow with a life membership pin and Mrs. William C. Henley presented another life membership pin to Mrs. Ruth Stuart. Both Mrs. Stuart and Mrs. Longfellow have given many years of interest and work to the PTA and to the community.

Arthur Hill, a Boy Scout of Troop 28, led the salute to the flag and the inspirational was given by Mrs. Everett Nelson. Mrs. Lloyd Brown, president, announced the board's recommendation of a $100 donation to the library fund for the school. This was approved by the members.

Mrs. Richard Carlino announced the annual rag drive will be held February 6 to 15, and asked that the children bring their paper bags back by the 15th.

As election of officers is in the offing, a nominating committee was elected, consisting of Mesdames Richard O'Flyng, Lenz, R. Page and Richard Morton.

Mrs. Leonard Merrit, program chairman, introduced Mr. Richard Gordon who directed performances by several of his music students.

Miss Donna Kooder gave a brief talk on what the receipt of a scholarship from the Congress of PTA has meant to her. In her own case, she said, it not only meant that she could finish school, but it had also given her a moral boost to know someone was trying to help.

Mrs. Winifred Jecker, home advisor for the Agricultural Extension Service, gave the main talk of the afternoon. She emphasized the importance of the motto "Lifelong Learning" not only to the service but to women everywhere. Mrs. Jecker said that on the first Friday of the month demonstrations are conducted from 10 a.m. to 12 noon at the Campbell Methodist Church.

Several past presidents of the PTA were present and these were introduced before the meeting adjourned to the cafeteria where refreshments were served by mothers of fourth grade pupils.

St. Lucy Women's Club

St. Lucy's Women's Club will have its regular monthly meeting on Thursday, March 1, at the home of Mrs. Joseph Homen, Winchester Road. Co-hostesses will be Mrs. Manuel Silva and Mrs. Manuel Vintro.

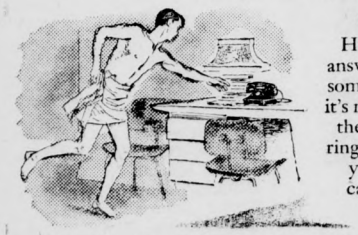
How to make good telephone service even better....



Give 'em time to answer

How many times have you answered the telephone just as someone hangs up? You know it's not always possible to get to the telephone the moment it rings. So best way to make sure you get the person you're calling is to give him a full minute to answer.

Good way to stretch your telephone dollar

When you make a Long Distance call, you can get the most for your money if, ahead of time, you *make notes of the things you want to talk about.* Then, during your call, jot down the things you want to make sure to remember. With the right planning, you can say as much in a three-minute call as in an exchange of letters. And did you know you can make a three-minute station call, clear across the country, for just $2.00, plus tax, after six in the evening.

When you take the kinks out

of your telephone cord, you help protect your own service. For too many twists may break some of the tiny wires in the cord, causing you to hear a "frying" noise. Let the receiver unwind by itself . . . then keep the curls out by remembering not to put a turn in the cord as you handle the receiver.

Nerve center of P.G. and E. is this giant control board in Oakland where Larry Lafrenz, with P.G. and E. 36 years, guides the flow of over 4 million horsepower. When trouble strikes, Larry's board tells him instantly. By telephone he can cut in or out any power source in the whole system so that repairs can be quickly made and power kept steadily flowing.

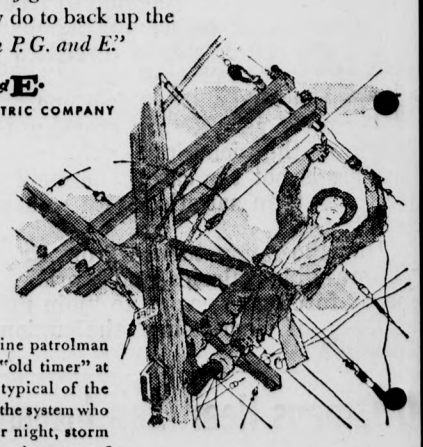
Meet P. G. and E.'s
storm fighters

When snow chokes the canyons, rain floods the valleys and wind howls through the cities, P. G. and E. people go on a 24-hour alert to guard your heat and light. That's quite a job: 55,500 miles of power lines to check, 13,500 miles of gas pipe to watch, to say nothing of the home and factory installations of 2½ million customers who live in an area of 89,000 square miles. Now we'd like to have you meet some of our *storm fighters* and learn of some of the things they do to back up the motto: *"You can depend on P. G. and E."*

Meet George Kritsky, who operates one of the 150 P. G. and E. mobile radio units. By means of these radio units installed in service trucks and cars, P. G. and E. men can maintain instant, direct two-way communication with their headquarters. Thus repairs are often made with no loss of service.

Lewis Kincheloe and his helper, Bob Webster, are "hot line" men in our San Joaquin Power Division. They work on lines carrying as high as 220,000 volts. It takes 620 trained linemen to maintain P. G. and E.'s 55,500 miles of power lines.

P·G·and·E·
PACIFIC GAS AND ELECTRIC COMPANY



Ernest Smith, line patrolman of Concord, an "old timer" at P. G. and E., is typical of the men throughout the system who are ready, day or night, storm or snow, to rush to the source of trouble.

SCHOOL NOTES

The girls are not the only ones who can cook at Campbell. The boys also have a cooking class, and they think it's lots of fun. During the past month they have been making pies. The pies made included lemon meringue and chocolate. They have also made butterscotch cookies and carrot cookies, and orange ice and spanish cream desserts.

Members of the boys' cooking class are: LeRoy Anderson, Albert Armstrong, Gary Goodness, Jerry Hodges, Dennis McCoy, Frank Oliver, Eugene Richburg, Charles Womer, Alfred Salciccia, Eldon Siles, Bob Brenthinger, James Pitman and Ronald Isaksen.

The cooking class is under the direction of Mrs. Vaira. She says the boys make very enthusiastic cooks.

Ronald Isakson—8-3.

Campbell has played several basketball games with Cupertino, and so far Campbell has won every one. High point man for Campbell has been Frank Rogers. In one game he beat the school record of 22 by 2 points. In the next game he beat his own record of 24 by six points.

Baptist Conference To Meet Here

San Jose Southern Baptist Workers Conference will meet with the First Baptist Church of Campbell, 81 N. First Street, beginning at 6:45 p.m. tonight. Theme of the gathering will be "Religious Education." The public is invited.

ADA REBEKAHS SEE INITIATION

Ada Rebekah Lodge 223 met February 20 in the Campbell 1OOF Hall to witness impressive initiation rites conducted by Sigma Tau, Theta Rho 92 of Santa Clara.

New members initiated i nto Sigma Tau were Carol Behnke, Barbara Jean Cabral, Patricia Ann Cabral, Lucille Faught, Rosemary Pinkham, Verna Gard, JoAnne Mark and Fern Mark. Those initiated into Fidelis 34 of Campbell were Jacqueline Silberbauer, Marcia Poore, Donna Montandon, Joan Jordon, Corol Akers, and Raetta Nelson.

Ruth Bettinger, past president of Theta Rho Assembly and advisor for Sigma Tau, College Sparks, past secretary of Theta Rho Assembly, and Joyce Conyers, treasurer of Theta Rho Assembly, were introduced to the gathering.

Melba Penhall, noble grand, and Madge Wyse, vice-grand, presided at the business meeting. Final plans were announced for the Ada Rebekah entry in the Campbell Old Settlers' Day parade.

Jessie Silberbauer announced an all-day meeting beginning at 10 a. m., with potluck lunch on Wednesday, February 28, in the Campbell 1OOF Hall for the Stitching Club.

The blue bird theme was used in the hall decorations in honor of the Theta Rho Clubs. Arlene Fellman, chairman, assisted by Naomi Farley, Lottie Rice, Eva Bachman, Anna Rhine, Hattie Fellman, Melba Penhall, Helen Wrigglesworth and Reba Chappell, served refreshments.

Next meeting will be on March 6 in the 1OOF Hall, Catherine Kilgallin will be the chairman for the evening.

Funeral Today For Fannie L. Clawson

Mrs. Fannie Luella Clawson, 74 grandmother of Beverly Clawson, Campbell High School student and musician, died Tuesday, February 13 in a Sunnyvale rest home after a long illness. Prior to entering the rest home, she had made her home with her son, Floyd Clawson, and his family at 3242 Stevens Creek Road, San Jose.

Mrs. Clawson was a native of Iowa and a member of the Seventh Day Adventist Church. She had resided in San Jose for 16 years.

Besides her son, Floyd, she leaves her grandchildren, Beverly Clawson of San Jose and Oliver Braske of Groveland; great-grandson Guy Oliver Braske of Groveland; sisters, Mrs. Emma Dixon of Gowerie, Iowa; Mrs. Mary Stahl of Medford, Oregon; Mrs. Daisy Rasmussen of San Jose; Mrs. Bertha Snyder of San Jose; and brothers, T. B. Musson of Tomahawk, Wisconsin, William Musson of Woodlake, George Musson of Los Angeles, and Fred Musson of Armstrong, Iowa.

Funeral services were conducted Friday at 11 a.m. Interment was in the family plot at Escalon.

resent the PTA for a two-year term on the Community Service Fund Committee.

Mrs. Laurance J. Hill, founders' day chairman, explained the aims and objectives of the PTA and introduced Mrs. Leslie Wilson, past president of the Sixth District PTA, who spoke on the theme, "Our Founders Were Far Sighted Women."

Those past presidents honored were Mesdames Jessie Shelley, J. W. Knowles, Robert Lear, J. F. Rediker, F. A. Jacobson, Anthony Jurras, Clarence Fagalde, Raymond Flagg, Fred Weltz, James Gleed and George Robertson.

Seven life members were present and Miss Muriel Carson of the high school staff was presented an honorary life membership by L. J. Hill, superintendent.

Founders' day birthday cake and coffee were served after the meeting.

Winter Rummage of OES Circle Sale Saturday

Star Circle, Order of the Eastern Star, will have its winter rummage sale on Saturday, February 24, from 9 a. m. to 5:30 p. m. in the banquet room on the first floor of the Campbell 1OOF Hall.

The sale will feature clothing, especially woolens, and miscellaneous articles, Thelma Aker, OES president, announced. Clara Baldwin is the sale chairman.

Shower Honors Mrs. Vossler

Calvary Temple Church was the setting for a stork shower Wednesday night, February 14, honoring Mrs. Jackie Vossler who, with her husband, is co-pastor of the church.

A potluck supper was served, after which the many gifts were opened by the honoree. Mrs. Sibyl Alford was hostess for the affair attended by a large group of women and young people.

Moorpark and Campbell Camp Fire Groups were among Santa Clara County members of the organization who presented nearly 500 valentines to patients at the County Hospital on Wednesday. This is part of the Camp Fire Girls' "Give Service" program.

Moorpark girls were led by Mrs. Charles Turner; those from Campbell by Mrs. Wayne Lenz, Mrs. Elmer Hammer and Mrs. Herbert Tragardh.

MORE ABOUT

Herb Talk

(Continued from Page 2

Plant herbs all in one garden, she advised. A kitchen garden, or plot close to the kitchen door is the handiest place. Use parsley for the border, sage, thyme, marjoram, chives, leeks and garlic. The garden will be close at hand to supply delectable herbs, for cooking. Drop two or three in the soup, others in the salad. Use the sage for the roast chicken dressing. Do not forget Pepper Pisan herb.

What is coffee? asked Mrs. Palitis. A spice of course. Tea is a precious herb. Herbs are used to enhance our foods, and as a balm for illness.

Scents and odors recall memories in a livelier fashion than do any of the other senses. When one sniffs lavender, lemon verbena, rose geranium, the scent carries one back to grandmother's old fashioned garden. Plant mints for juleps; lemon mint and fine apple mint for tea. Serve fresh cookies with cardamon seeds for tea.

Oregano is the herb so necessary to those wonderful Spanish foods. It improves the taste of roasts and stews.

Saffron, of the rich yellow butter color, is as precious as a king's crown jewels, commented the speaker. The pollen from three stamens of the saffron is gathered when the herb is harvested. Many hours are required to gather a single ounce. Saffron colors cakes and cookies and gives them a wonderful flavor. It is also used to make chicken and rice a golden, delicious meal, and it is nice to use with veal, too.

She listed suggested uses for some of the herbs: chervil for soups, sauces and green salads; basil with tomatoes always, also with spinach, peas, squash, eggs, meat and gravies; burnet in salads for cucumber flavor; borage—use the tender tips with cauliflower and in salads; marjorum, use it with other herbs, with meats, dressing, cookies.

Thyme, a basic herb, combines with all herbs in soups, meat and vegetables; oregano, with broiled meats or fish; savory, with string beans and potatoes; rosemary, with ham, beets and poultry, and tarragon, with vinegar for salads, chicken and eggs.

In conclusion, Mrs. Politis gave a recipe for omelette with herbs, as follows:

OMELETTE WITH HERBS

3 eggs, slightly beaten
¼ tablespooon of tarragon, chervil, parsley, chives, each of these four herbs chopped fine.
1 tablespoon water.
a little salt and pepper
2 teaspoons butter in a hot iron skillet.

Turn in the eggs, let set over low flame. Sprinkle the herbs over the eggs. Fold right side of omelette over to the left side. Turn out on hot dishes and serve at once.

Delicious with bacon, ham or jelly.

Serve plenty of spicy coffee. Try dropping a lump of fudge in the coffee.

Guests at the Garden Club meeting were Mrs. Oliver C. Jensen, Mrs. Charles Smith, Mrs. Jerry Vick and Mrs. Joseph Feasel of Campbell; Mrs. Ralph Eaton of Saratoga, and Mrs. Johnson of San Jose.

Mrs. Robert Dunn was greeted as a new member.

Members were reminded that this is the time to plant the Kwanzan Cherry tree, the tree which is being used in the beautification project for Campbell. Trees may be obtained at reasonable prices at Carman's Nursery and the Winchester Nursery, both in Campbell.

California Garden Clubs, District Four, will meet at Pland's Villa in San Lorenzo, on Friday, February 23, at 10:30 a.m. sharp. Reservations should be placed with Mrs. Henry Parysek of the Campbell Club by Monday, February 19.

Gordon Courtright, camellia specialist, will talk on the culture, varieties and successful growing of this plant in the home garden. Mrs. Basil Winslow will present a quite different demonstration featuring wood appreciation and wood uses. Club members will see arrangements made with specimens of weathered wood from the high Sierras, together with flowers, shrubs, and leaves for permanence and beauty.

New members welcomed at the meeting was Mrs. Verna Grable. Mrs. John Cantoni conducted the round table discussion during which suggestions were received on the program for the coming year, the greeting of new members and a flower show for next year.

Cherry trees are still available at local nurseries. Five trees were donated to the Congregational Church and three more to the Assembly of God Church.

A nominating committee will be elected at the next meeting, on March 7. There will be a talk on interior decorating.

County-wide Nurses Meeting Set In San Jose

Medical and nursing services necessary in civil defense work will be discussed at two meetings of all Santa Clara County nurses on February 26 in the Montgomery Theater of the San Jose Civic Auditorium. Discussions will be presented twice daily.

The morning session will start at 9 o'clock. A. P. Hamann, San Jose City manager, and Health Officer Dr. D. W. Bissell will discuss the San Jose program.

During the evening session beginning at 8 o'clock Dr. J. Frederick Snyder of Campbell, and Mr. Hamann will discuss plans for medical services and explain the role of nurses in the civil defense program.

Nurses will hear plans for civilian protection and learn methods of caring for casualties. A motion picture showing methods of protection against atomic attack will be a feature of each session.

"Provision of adequate medical and nursing service in case of disaster is absolutely vital to the civil defense program", Dr. Glen H. Baird, Santa Clara County's assistant health officer, stated.

Dr. Baird urged all nurses in Santa Clara County to attend one or both of the February 26 meetings.

Young Baptist Girl To Speak At Service Here

Zely de Paula, 19, native of Minas Gerais, Brazil, will speak on missionary work this Sunday at the 11 a.m. worship service and the 7:30 p.m. service at the First Baptist Church of Campbell, 81 N. First Street.

The daughter of a Baptist preacher in Vitoria, Brazil, where he is also teacher at the Baptist College, she has held many offices in the church groups. She attended high school in Brazil and the Baptist "American College" there, after which she worked for the U.S. Consulate at Vitoria. While in college she worked as an interpreter for a Brazilian business concern.

She has been vice-president of the Baptist Student Union, vice-president of the State Training Union, state children's leader for the Women's Missionary Union, secretary for the city training union assembly and children's teacher for the mission of the California Baptist church. She will receive her MRE degree at the Golden Gate Seminary this May, after which she will return to Brazil to work as a missionary in the Amazon valley.

By JERRY THOMAS

GRATITUDE GIFTS . . . At the recent sports award assembly at the local high school when Buc athletes were presented Block C's for achievement, the coaching staff came in for its share of honors and awards also.

The 1950 football team gave Head Coach Jim Muir and Assistants Junior Morgan and George Miskulin a 11-inch golden trophy for the time and effort spent on the gridiron teaching the squad the fundamentals of the sport.

The presentation was made by Co-Capt. Charlie Gbibons, senior center.

Due to lack of funds and other misfirings, the track team of last year did not award Cinder Coaches Bert Robinson and Morgan any appreciative memento until last week. But the two mentors were just as grateful and honored when they received a 15-inch cylinder-shaped trophy finished in gold with an athletic figure perched on top. The lightweight grid eleven was not to be denied the chance to do their coach homage either. They presented Jules Langlo with a flashy sportshirt.

BUC GRADS MATMEN ... If they are as successful in the sport of collegiate wrestling as they were in high school, Bruce Abernathy and Art Alvares, former Campbell matmen, should go places at Cal Poly college where they are now enrolled as freshmen.

The two local lads are holding down first-string positions on Coach Sheldon Harden's frosh Mustang team.

Abernathy, who never lost a high school match in his four years at Campbell, must have set some Cal Poly record the other day in a match against UCLA. Wrestling in the 167-lb. division, the Buc youth pinned his Bruin opponent in 55 quick seconds.

The Mustang varsity squad will enter the PCI mat tourney at Washington State college as one of the heavy favorites to cop the title. Come next year, global situations permitting, Abernathy and Alvares should make the Cal Poly team even stronger and more feared among West Coast grappling circles.

COMMUNITY PROJECT... The huge 4'x4' track and field performance board has finally been completed and hung in the gym at Campbell high school.

The brainchild of Junior Morgan, track mentor, the plywood rectangle holds every cinder and field record made by Buc trackmen since 1928. But Morgan insisted that the entire project would have been a complete dud if he didn't receive the splendid cooperation of otoher departments and instructors. He said that Howie Warren, supervisor of the Industrial Arts department, aided the cause immeasurably with time and equipment. One of the student teachers, Jim McGibbons, did much of the line work. The board was cut, planned and developed in Bob Culp's wood shop in the rear of the gym.

Morgan also would like to publicly thank students Rich Hevrin and Bill Anderson for the two weeks spent in lettering the many names, times, and events.

PERSONALITY PARADE . . . With all those misplaced eyebrows, phony beards, and itchy sideburns a nightmare of the past (until next year anyway) and Old Settlers' Day settling one year deeper in the history of Campbell, let us discuss some of the "clean-shaven" cagers cavorting in the two local leagues.

Many readers may not realize it but an impo ing array of lacal and state athletes are playing in either the A or B loops.

We have mentioned the McCone Citrus five and its line-up of San Jose State college basketball,football and track stars. Names like Morgan, Bert Robinson, Bob Wuesthoff, Ralph Romero, Hal Sonntag will be remembered as long as the Spartans field cage or grid aggregations.

Campbell Hardware has its share of former Buc athletes performing in the B division. John Oldham, one of the most promising young baseball pitchers to appear on the local sporting scene in many a moon, is doing alright on the hardwoods also. Buzz Freitas, Oldham's receiver and highly-regarded by many diamondmen, is one of the top scorer for the Hardware men this season.

Long's Sporting Goods five has Marty Formico, former Santa Clara university halfback. He is now playing for the Long crew. Formico, all 150 pounds, was regarded as one of the best defensive backs on the coast last season. He made honorable mention on several mythical all-star teams and figured prominently in the running for the most valuable senior award in this area.

Bill Perry, erstwhile Buc football coach and now line mentor at SJS, is back on the local scene as guard for Jones service in the A loop.

Maderis, Campbell Hdwe. Unbeaten In 'B' League Play

With third week of play concluded in the second half of the B league in the Senior Cage loop, Maderis and Campbell Hardware continued to lead the way for a possible repeat performance of their first half battle.

Both squads won Tuesday night after several minutes of trouble. They now remain the only unbeaten teams in the division.

Maderis came from behind to trim California Supply 43 to 39. Bob Santos kept the losers ahead for two quarters with some fancy shooting. He netted seven baskets during that time to enable his club to enjoy an intermission lead of one point, 25-24.

The second half proved a different story as Santos was limited to only two free throws. Teammate Orlo Tamburino, with five second-half field goals, maintained the pace for a while but the first-round champs were not to be denied.

Maderis pulled away to a two-point margin as the fourth period began and increased the lead in the dying stages of the game.

Santos was high man for the contest with 17 points with Tamburino next with 14 points.

Campbell Hardware had even more difficulty in beating a troublesome Santa Clara Lumber five, 32 to 30.

The lumbermen outplayed and outscored the hardwaremen from the floor but fell because of their inaccuracy at the foul line. They took seven free throws and missed every one. The winners capitalized on four successful charity tosses out of seven attempts.

In the field goal department, Campbell sank 14 buckets and the losers hit for 15.

The hardware five held a commanding 10-point lead at halftime, 22-12, and seemed well on their way to an easy win. But SC came back strongly in the third period to tally 12 points while holding the high-scoring Campbell quint to only one field goal.

The fourth quarter found the knot twisted at 24-all. Two goals by John Oldham and one each by Buzz Freitas and Paul Lipari turned the tide as Ray Vierra's three tallies fell short of tying the score.

Vierra was the losers' top scorer with 10 points but Freitas gathered 11 points to capture high-point honors.

The darkhorse in the league, Long's Sporting Goods, walloped Sisemore's, 49 to 22 in the final game of the evening.

After a slow start the Long quintet has played some good ball. They are now one game off the pace.

They jumped into a 11-1 lead Tuesday night to hold command all the way. Halftime score read Long's 17, Sisemore's 8. Clayton Morin, Long forward, took scoring laurels with 13 points. George Sisemore was second with 11 points.

McCune, Western Gravel Cop 'A' Loop

McCune Citrus remained unbeaten in the A division of the Campbell Basketball league by turning back Tony's Busy Bee 67 to 45 Thursday night at the high school gym.

Winners of the first half of play, the McCune five could do no wrong as four of its players reached double figures in the scoring column.

Tall Ed Sobczak, prominent valley baseball player, led the point parade with 20 points on nine buckets and two free tosses. One point away was Bob Wuesthoff, former San Jose State college star, with 19 markers. Carl Kaiser, a recent addition to the squad, netted 14 points and Hal Sonntag, play maker and floor man deluxe, notched 10 points.

Bob Bowles, Tony center, paced his team's losing attempt with 17 points on eight baskets and one charity toss.

The closest the losers came to the lead was at the end of the first period when they trailed by only four points, 12-16. But Sobczak and Wuesthoff started rolling in the second stanza with four buckets apiece to pace a 21-point spurt.

Halftime found the citrusmen sporting a 20-point margin, 37-17.

The second game of the night found Western Gravel eking out a 29 to 27 win over Jone's Service.

As both teams played a ball-control game, Bob Burgstrom, WG forward, led the scorers with 14 points. Tom Eves paced the losers with 12 points.

Halftime score was 16-all. Field goals by Burgstrom, Frank Velo and Bob Magginetti, plus three free throws cinched the contest for the gravelmen in the third period. The bees outscored the winners in the fourth quarter but could not overcome the pre-period lead.

The Los Gatos Merchants won by forfeit over Rossi's.

SPORTS

Baseball Practice Starts At Bucville

Facing a complete rebuilding job, Coach George Miskulin greeted some 50 Campbell high baseball aspirants who came out for the first day of pre-season practice Tuesday afternoon.

Only three returning lettermen were included among the many green faces. Nick Tersigni, shortstop, Wayne Burrows, third baseman, and John Walters, second sacker, are the veterans around whom Miskulin will have to form a new team.

"We will be building strictly from nothing," the amiable mentor said. He expressed doubt if the Bucs would get as high as third place in SCVAL play, the spot they held at the close of last year's season.

A 20-game schedule has been drawn up, Miskulin said, with the opener set for March 13 against Palo Alto high.

LEGAL NOTICE

In the Superior Court of the State of California. In and for the County of Santa Clara.

Number 37301

NOTICE OF TIME OF HEARING ON PROBATE OF WILL AND AFFIDAVIT OF MAILING SAME

In the Matter of the Estate of FLORINDA MOSS, also known as FLORINDA DISDIER,

Deceased.

Notice is hereby given that a petition for the probate of the will of FLORINDA MOSS, also known as FLORINDA DISDIER, deceased, and for the issuance to TERESA REDI of Letters Testamentary has been filed in this Court, that a petition to establish fact of death of said decedent is included; and that the 14th day of March A. D. 1951, at 9:30 o'clock A. M. of said day, at the Court Room of the department of the Presiding Judge of said Court, at the Court House in the City of San Jose, has been set for the hearing of said petition, when and where any person interested may appear and contest the same, and show cause, if any they have, why said petition should not be granted. Reference is hereby made to the petition on file for further particulars.

Dated February 21st, A. D. 1951.
E. T. McGEHEE, Clerk.
By CATHERINE PIPES
Deputy Clerk.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of Cambrian Elementary School in the office of the Superintendent until 8 o'clock P.M. March 1st, 1951, for the rental with option to purchase of one school bus with a capacity of 78 elementary school passengers in accordance with the following specifications:

One Superior Schooliner, Model SGL6704. Bus to be transit type with a 162 H.P. International engine, Model RD450.

Engine to be mounted in the rear in an upright position.

Clutch to be air actuated and throttle to be operated hydraulically.

Two heaters and defrosters to be furnished.

Floor to be 14 gauge steel and covered with battleship grade linoleum from wall to wall and safety ribbed in aisle.

Underbody transverse members to be spaced not more than 8 inches apart.

Overall height of bus not to exceed 112 3/4 in.

Complete specifications are on file in the office of the Superintendent.

The above bus shall comply with all regulations as set forth by the California State Department of Education and California Highway Patrol, spare tire excepted.

The Board of Trustees reserves the right to reject any or all bids and to be the sole judge of the suitability of equipment offered.

By order of the Board of Trustees.

Pub. Feb. 8, 15, 22, 1951.

CAMPBELL UNION HIGH SCHOOL DISTRICT
Campbell, California
February 9, 1951
NOTICE TO CONTRACTORS

The Board of Trustees of the Campbell Union High School District of Santa Clara County, State of California, invites and will receive sealed proposals up until 8 P.M., March 13, 1951, at the office of the said Board of Trustees, Campbell Union High School District, Campbell Avenue, Campbell, California, at which time and place said bids will be opened and read in public for furnishing all labor and materials for construction of additions to the Campbell Union High School, Campbell Avenue, Campbell, according to plans and specifications prepared by and obtainable at the office of the Architects, Clark & Stromquist, 321 Channing Avenue, Palo Alto, California.

A deposit of $50.00 will be required from all contractors receiving plans, said deposit to be refunded by the Architects when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architects.

The Board of Trustees reserves the right to reject any or all bids and waive any informality in any bid received.

Cashiers or certified check or bidder's bond in the amount of 5% of the bid, but in no case to exceed $25,000, shall accompany the proposal, drawn to the order of Joseph Gomes, Clerk of the Board of Trustees of Campbell Union High School District, as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance, and a bond for material and labor, each in the amount of the contract price.

All contractors shall be required to pay the general wage scale now prevailing in the County of Santa Clara, which wage scale has been set out in detail in the order enacted by the Board of Supervisors of the County of Santa Clara, City of San Jose, California, and now on file in the Office of the Clerk of said Board in the County Court House of the County of Santa Clara, City of San Jose, California.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any sub-contractor under him to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Board of Trustees of the Campbell Union High School District, Campbell, California.

NOTICE TO CONTRACTORS
RELOCATION OF QUONSET BLDG.
CAMPBELL ELEM. SCHOOL

The Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals up until ESC p.m. March 8, 1951 at the Office of said Board at 111 North 3rd Street, Campbell, California, at which time and place said bids will be opened and read in public, for furnishing all labor and materials for construction of and relocation of Quonset Building at the Campbell Elementary School according to plans and specifications prepared by and obtainable at the office of the Architects, Higgins and Root, 220 Maridian at Park Avenue, San Jose, California.

A deposit of $10.00 will be reqquired from all contractors receiving plans, said deposit to be refunded by the Architect when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect.

The Board of Trustees reserves the right to reject any or all bids and waive any informality in any bid received.

Cashier's or certified check or bidder's bond in the amount of 5% of the bid, but in no case to exceed $5,500.00 shall accompany the proposal, drawn to the order of the Campbell Union School District as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 50% of the contract price.

All contractors shall be required to pay the general wage scale now prevailing in the County of Santa Clara, which wage scale has been set out in detail in the order enacted by the Board of Supervisors of the County of Santa Clara, City of San Jose, California and now on file in the Office of the Clerk of said Board in the County Court House of the County of Santa Clara, City of San Jose, California.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Board of Trustees of the Campbell Union School District, Campbell, California.

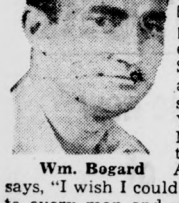
Newsman Tells His Own Success Story

Throughout the years there have been numerous success stories of how this man or that man started from nothing and finally achieved prosperity. But the best of all success stories is where a man in a run-down condition finally gets to where he feels wonderful again. William Bogard, newspaper reporter in Sulphur Springs, Texas, has such a story to tell. Yes, now that Mr. Bogard is taking HADACOL, he says, "I wish I could tell my story to every man and woman in the country who is now suffering as I was suffering." Mr. Bogard was suffering a deficiency of Vitamins B_1, B_2, Niacin and Iron, which HADACOL contains.



Wm. Bogard

Here is Mr. Bogard's own statemen telling how HADACOL helped him:

"Two years ago, at age 40, I was convinced that nothing remained for me in life. The most encouraging words I ever heard were: 'Maybe you will get straightened out after a while.' The only thing that really mattered to me was how I felt and the fact that my apparent decline had brought my many dreams and aspirations in total ruins before my feet.

"I heard and read many stories and testimonials concerning HADACOL, but, unfortunately for me, I didn't take any of them seriously. I considered these testimonials to be from fictitious people with imaginary ills who talked solely for money. How wrong I was! In spite of my wariness, I decided to give HADACOL a try. I took great care that no one knew I was taking it because I feared their ridicule.

"I took three bottles of HADACOL before I began to 'feel' its effects. After that, my progress was steady and sure. My appetite picked up. I not only ate at meal time, which I had not been doing before, but I enjoyed in-between-meal snacks of delicacies which I had long since forgotten.

"I wish I could tell my story to every man and woman in the country who is suffering as I was suffering; I wish I could let them know and make them believe that what I say is all truth and none fiction."

Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle only $1.25. Large family or hospital size, $3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, La.

Family Service Group To Hold Annual Meeting

Community partnership will be the theme of the third annual meeting of Family Service Association of Santa Clara County, at the Edwin Markham Junior High School Little Theatre, on Monday, February 26, at 8 p.m. San Jose Theatre Guild members under the direction of Mrs. Alma Helms will present a dramatization of a documental case history entitled "The Timid Artist."

Based upon closed and thoroughly disguised records, the play was written by staff members in order to graphically depict the counselling process from the time a client first calls for an appointment until the last interview is terminated. In depicting the process by which a family counselor helped a frightened, withdrawn child out of his wall of fear into a happy way of life, the staff hopes to take the public behind the scene of a counselling office to show the administrative, supervisory, and phychiatric consultative steps necessary to modern counselling.

Following the play, a panel of two Family Service Association Board members, two members at large, and two staff members will discuss floor questions concerning any aspects of the play or agency program.

The annual report will give a quantitative and qualitative analysis of the year's program. It will present dramatic proof that community partnership is the base of the Family Service Association of Santa Clara County. A study of 1950's Family Service Association program will show how citizens from all walks of life are united in the common cause of constructive family life. Activities of the members, board, staff, clients and volunteers will be described. The public is cordially invited. There will be no admission charge.

Blue Print Shop Runs Off Sets For CUHS Additions

Production of blueprints for the new Campbell Union High School building additions was accomplished in record time last week according to Ray Davis of 198 N. Carlyn Avenue, Campbell, owner of the Blueprint Shop in San Jose, which handled the job.

Davis said his plant ran off 1034 blueprints in 11 hours of working time. These prints, taken from drawings by Architects Clarke and Stromquist of Palo Alto, were all of a large size, totalling 9,300 square feet of paper.

The sheets were bound in 22 sets of 47 sheets per set, covering all buildings in the plan and construction details.

WORN OUT PLUGS

Badly worn spark plugs can cause lowered gas mileage even though other engine conditions are good, according to the California State Automobile association. For top engine efficiency, spark plugs should be checked regularly and replaced if found defective.

There is no terror in your threats; for I am armed so strong in honesty that they pass me by as the idle wind. —Shakespeare

DO YOU HATE CHANGE of LIFE?
and
HOT FLUSHES?
Do you suffer from hot flushes, nervous tension, upset emotions due to functional 'change of life' (38-52 years)—that period when fertility ebbs away, when embarrassing symptoms of this nature may betray your age?
Then start taking Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. No other medicine of this type for women has such a long record of success. Taken regularly, Pinkham's Compound helps build up resistance against this annoying middle-age distress. *Truly the woman's friend!*
Note: Or you may prefer Lydia E. Pinkham's TABLETS with added iron. Any drugstore.
LYDIA E. PINKHAM'S
VEGETABLE COMPOUND

DO YOU KNOW?
That, approximately 81 percent of all drivers NEVER have a serious accident? That, another 15 percent have only ONE? That, the remaining 4 percent of drivers account for 36 percent of ALL accidents?
DON'T BE A REPEATER!!
You should be adequately INSURED: YOU may meet a REPEATER on your way home tonight.

ORIGINAL DE

SERVICE NOTES

Ralph H. Leech, machinist's mate, first class, USN, husband of Mrs. Ralph H. Leech of 478 Margaret lane, Campbell, is serving aboard the hospital ship USS Repose in the Korean area.

As a Repose crewman, the local man helped take the ship into Chinnampo, port city for Pyongyang, after a hazardous trip through a torturous 30-mile channel that had only recently been cleared of mines.

The 15,000-ton ship came up the channel on high tide. In spots, the deep draft channel shallowed off so much that the keel of the ship was barely a few inches from grounding on the silt.

Capt. C. H. Perdue, commanding officer of the Repose, gave the crew a "well done" for their part in the feat. It is believed that the Repose, capable of handling 800 patients, is the largest ship ever to enter the port of Chinnampo.

DONALD HARTMAN

Among the 30 civilian supervisors who successfully completed the recent training program at Moffett Field was DONALD F. HARTMAN, 817 Audrey avenue, Campbell.

The program, which consisted of semi-weekly meetings from July 12, 1950 to January 1, 1951, provided instruction organization, planning, disaster control, material handling, industrial relations and committee membership.

Those completing the course were presented certificates of graduation on January 26, 1951, by Captain J. W. Harris, USN, commanding officer of Naval Air Station, Moffett Field.

* * *

LT. DEAN CHAMBERLIN

First Lieutenant Dean R. Chamberlin, a former teacher at Campbell High School, recently participated in the U.S. Air Force's "Air Combat Maneuver." As a GCI (Ground Communications Interceptor) Controller, Lt. Chamberlin's job was to direct "defending" aircraft against "hostile" bombers detected by radar sets of his squadron.

This exercise, which ran from the first through the fourth of February, was held to determine an evaluation of the air defense capabilities of the Western Air Defense Force system. The area defended by WADF comprises the eleven western states from the Canadian to the Mexican borders, and as far east as the Dakotas.

Units of the Army, Navy, Naval Reserve, Marine Corps, Marine Corps Reserve, Air Force Reserve and the Air National Guard worked in conjunction with the Air Force during this maneuver. Important support was also given by spotters of the Civil Air Defense, Ground Observer Corps.

The 28th Air Division, commanded by Colonel William A. Matheny, made up part of the "defending" force during the operation in detecting "aggressor" aircraft within and without its radar screen. Bombers of the Strategic Air Command and the Air Training Command acted as the "hostile" planes in making simulated and unscheduled air strikes against potential wartime targets.

A graduate of Chico State College and the University of California, Lt. Chamberlin was recalled to active duty in August of last year. During the war he served with the 35th Fighter Control Squadron in the Pacific Theater of Operations where he twice received the Bronze Star award.

His wife, Veva, is presently residing at 116 East Campbell Avenue.

* * *

D. L. WATTS

Lt. Cmdr. Donald L. Watts, USN, husband of Mrs. Jane Watts of 745 El Salyo, Campbell, Calif., is presently undergoing training with Fighter Squadron 874, of which he is a member, in preparation for duty aboard a Naval aircraft carrier. The squadron, formerly based at the Naval Air Station, Oakland, Calif., is now a unit of the Air Force, Pacific Fleet, operating from the Naval Air Station, San Diego, Calif.

* * *

Stanley Eaton, 1541 Camino Monde, and Marlowe R. Winbigler, 346 N. Harrison Avenue, Campbell, have enlisted in the U .S. Army and are receiving training at Ford Ord.

* * *

John R. Galli of Campbell has been assigned to a U. S. Army Reserve unit in San Jose. Non-veterans and veterans are eligible for positions in units there. Reserve units, according to Department of Defense plans, will be called only in case of general mobilization.

* * *

Charles Richard Chapman, seaman apprentice, USN, son of Mr. and Mrs Charles Chapman of 784 Smith ave., Campbell, recently completed recruit training at the Naval Training Center, San Diego, Calif., and is now available for assignment to a Fleet unit or to one of the Navy's schools for specialized training.

During this period of training, he underwent intensive drill in such subjects as signaling, navigation, basic ordnance and seamanship. He also was indoctrinated into the ways of the Navy and learned the customs of the service.

Auditor Approves JP Records

Books and records of Justice of the Peace Martin S. Walsh of Campbell were reported in order following regular examination this month by County Auduitor John Francisco.

During the first five months Judge Walsh was in office, he took in $1547 in fines and fees for the county, according to the auditor's report.

by Ralph H. Taylor
Executive Secretary
Agricultural Council of California

SWITCHMEN SICKNESS

The strange switchmen sickness that sped through the arteries of the railroad industry with paralyzing effect is truly a phenomenal illness—a bit of arbitration indigestion it seems.

Few would begrudge the Nation's switchmen the doubtful pleasure of staying at home and nursing their boxes of bicarbonate, if the rest of the country did not have to suffer with them. That, however, is not the case.

The fact that their indisposition upsets the entire national economy should keep the switchmen on the job under the best world conditions.

The fact that the United States is at war, however, should be enough to keep the switchmen working no matter how much it pained them.

LOST HOURS AND WAGES

There is yet another side of the story—the side of the story that belongs to the hundreds of thousands of working men and women who are thrown out of work because their businesses rely on rail transportation.

This story can be visualized best by looking at the chain of events immediately following the sudden spread of switchmen sickness.

Almost within hours after train service was disrupted, steel and coal production was curtailed. The users of steel and coal, principally the automobile industry and its allied trades, started a cutback. Shippers were in a quandary. Perishable agricultural goods were refused shipment for fear delivery could not be made—and in the meantime, shippers with perishable goods on hand were faced with the threat of spoilage.

CLOSED PLANTS

The reports of layoffs streamed in.

The National Tube Company in Ohio idled 11,000 workers. United States Steel sent home a thousand people. Republic Steel closed three blast furnaces. The Midland Steel Products Company in Cleveland closed shop. Nash automobile closed two plants, idling 14,000 workers. Ford Motor Company closed down some of its branches. General Motors shut down 15 plants. Countless coal mines had to close.

On the West Coast, shippers, commuters, and agriculture were the chief sufferers.

Probably it never will be known how many people were idled and lost their wages, how many businesses were idled and lost production, how many perishable products were spoiled, but the loss is irretrievable. Almost the entire economy of the Nation is geared in one manner of another to rail transportation.

There are two sides to every story, sometimes more, as in this case. Perhaps the switchmen are right and the railroads wrong. Perhaps it is the other way around. Maybe both sides should give more.

NEW CURE NEEDED

To tie up the railroads, however, on any pretense is inexcusable at any time, and at a time of emergency borders on treason. No matter how honestly the switchmen came by their ills, they should look for a new cure.

'DON'T WANT UNION' SAYS EMPLOYES

(Continued from Page 1)

find that a majority of them are union people.

Nichol went on to say that Mrs. Shaw "was sent two citations to appear before the Central Labor Council but she refused to talk. She's not willing to negotiate. We don't want any trouble. We just want her to sit down and talk about a union agreement.

"There's no sense in this. They know it and we know it," he added.

What if Mrs. Shaw did not meet with the union to discuss an agreement, and no agreement was reached? Would the picketing continue? he was asked.

Nichol declined to predict the future.

Mrs. Shaw, also interviewed by the Campbell Press, said she could not understand why she is being picketed. "Our help has voted among themselves as being 100 percent against unionization. Not one of our employes has asked either the management or any union that this establishment come under their rule."

In a private statement to the Campbell Press, the employes affiirmed this. "We are all agreed. We are against joining the union," they stated. One of them added that their wages are above union scale now. "Why should we join the union and pay dues, assessments and fines out of our salarise? There's no reason for it!"

Mrs. Shaw told the Press, "I have always stated I am not against unions. A union is alright in its place, but I just don't see the need for it here."

"One of the union men has talked to all but one of my employes. They have told him they are not in favor of being unionized, yet we are being picketed. I don't understand it. One of the men asked if he could talk to the employes and I told them they could, any time they wanted to."

She added that she appreciated the support which the people of Campbell have shown her and her employes by continuing to patronize the restaurant. "The patrons have been just grand."

More About . . .

PARADE GOES ON DESPITE RAIN

(Continued from Page 1)

greenery provided a regal setting for the stately queen who wore a velvet robe of deep maroon over her costume, and a golden crown.

John Duncan was the hard working chairman of the entire program, and also served as chief of staff for the parade. Eugene Barnes was grand marshal.

General chairman John P. Duncan received much praise from fellow workers and local citizens. Chamber of Commerce President Eugene W. Barnes termed Duncan's work, "one of the best jobs that have been done in this community for such a project. I just hope that we can find another like him for next year's celebration."

This year's parade proved to be one of the most colorful and largest in the history of the celebration. Judges and parade officials credited the many individuals and organizations with a fine spirit of coooperation for carrying through with their jobs in the parade despite the threatening weather and frequently uncomfortable weather conditions.

FIRMS THANKED

From the parade, the crowd went on to attend the folk dancing exhibition at the Campbell High School, and later to the pancake and sausage dinner served in the high school cafeteria by the Junior Chamber of Commerce. Jaycee members extended thanks for their cooperation to Pillsbury Company for providing Pillsbury pancake mix; Vermont Maid company for the Vermont Maid syrup; Stephens Sausage Company for 50 pounds of Stephens sausage; Folger Coffee Company, for providing all the cofffee, and Durkee Famous Foods for sending the Durkees Oleomargarine.

The luncheon served just before the parade, brought a capacity crowd to the Campbell Elementary School cafeteria, and the committee was forced to close the doors when the number of mouths exceeded amount of food available. Very few were turned away, and the luncheon was both ample and delicious.

Another highlight of the program was the afternoon music festival given at the Campbell Elementary School.

Local Matmen Tie For Valley Honors

Little Dan Duarte, 133-lb. Campbell high wrestler, turned out to be the unsung hero of the SCVAL mat championship meet held at the Campbell gym Saturday afternoon.

Former 127½ lb. valley champ, Duarte participated in this year's meet with what was thought to be a sprained hand. Despite Coach George Miskulin's warning and pleading Duarte wrestled his way to the finals where he was decisioned.

It was learned this week that the alleged swollen hand was broken. Miskulin said that a fractured carparal bone in the left hand had been discovered following x-rays.

Under the first-year tutorship of Miskulin, the local grapplers tied with Gilroy high for championship honors with 27 points apiece.

Santa Clara finished third with 19 points and Fremont, defending champs, was fourth with 18 points, followed by James Lick with seven points. Los Gatos failed to score.
